GENERAL RULES PLEASE READ CAREFULLY:

- 1. Clubs may enter more than one competitor per competition, only the highest score will go towards the shield. Maximum of three entries per club per competition, unless stated. All 'book in' competitions are only one entry per club. One entry per member per competition**

- 2. Competitors must be a member of a Young Farmers' Club, with a CURRENT membership card. This must be shown at the start of the competition. .**

- 3. All entries to be the competitors' own unaided work. Including the displaying of the item ready for judging. Only competing members will be allowed in the Static Area for set up plus one Junior Leader per Club (NO PARENTS will be allowed in the static area unless to drop off items for the member to exhibit – they must leave straight after drop off)**

- 4. Entry forms for pre-rally competitions to be returned by Clubs by the date stated on the form.**

- 5. Rally day competitions – Intention to Enter forms (without names) to be returned to County Office before 1st April. Final alterations must be notified two weeks before Rally.**

- 6. Entry forms, with names of competitors to be in the Rally Office before 10.30am on Rally Day.**

- 7. Competitors will be required to take part in both parts of a two part competition.**

- 8. All competitors to report to the Competition Steward 15 minutes prior to the official start time**
.

- 9. Any competitor or substitute reporting late will be disqualified unless an agreement has been made with the Steward, with the approval of the Judge, before starting time.**

- 10. In the interests of hygiene all cookery items MUST be covered with clingfilm.**

11. NO EXHIBIT or part is to be removed from its point of display before 4.00pm. Any club or member not complying with this rule will lose ALL MARKS in that competition.

12. Judges do not like to disqualify entries, but the following will be in place.

ENTRY example theme per rules workmanship display taste? Total comments NO. 10 25 etc etc 100

For example – if rules read max size 30cms x 30cms and the item is over this, or it states 6 items to be displayed and only 4 are there, then 0 points should be given for following the ‘per rules’ section (25% of total marks for the competition) on the score sheet, but the rest of the item can be judged and scored. If however the competition is a National Competition (NC) and the rules have not been followed, then disqualification will apply = 10 points, as would be so if item had gone through to National Final. All competitions are out of 100 (unless stated for National Competitions). The minimum score for attending and competing is 25 points. With disqualification being 10 points

13. All Static competitions must be ready for judging at 11.00am. unless stated in competition rules.

14. NO EXHIBIT OR ENTRY MAY HAVE ANY DISTINGUISHING CLUB OR MEMBERS NAMES OR EMBLEMS SHOWING BEFORE OR DURING JUDGING UNLESS STATED IN THE RULES. NO CLUB SHIRTS TO BE WORN WHILST COMPETING!

15. The decision of the Judge is final

**16. All National Competitions (NC) will follow the rules & marking system (where possible) laid down by NFYFC and can be found on the competitions page of the National website
www.nfyfc.org.uk**

17. Competitions marked NC (National Competition), the winner of the County competition will be asked to represent Wiltshire at the Area or National Final. Members are asked to note that anyone winning through to a National competition will incur any fines directly for none attendance at the final. Once National have been notified who the winning entries are from each County or Area, they deal directly with the winning team or competitor and NOT County, so it is your responsibility to give a minimum of two weeks notice if unable to attend. It would also be nice if you could notify County of you pulling out because the next place team may be keen to compete in a National final in your place and the longer the notice the better prepared they can be.

18. Confirmation of complaints procedure. Complaints must be taken to Rally Chairman, County Chairman and Chief Steward within 24hrs of discrepancies, unless on Rally Day then as soon as possible after the competition has been judged. Members are reminded NOT to aggressively confront judges, but a civil discussion with them is usually possible. Speak to competition steward first if you have a grievance. Judges usually try to give constructive criticism to assist members in learning where to improve for future events – they are NOT personal criticisms.

19. Ruling added in 2024: if a participant fails to enter a competition that they had or has signed up to participate, there will be a rally point penalty which is 25% of the maximum points that could be awarded in that competition. For example if the competition was worth 40 points there would be a 10 point penalty for that club. On top of this as for the rally day county have to pay for the hire of tables, there will be a financial fine to the club if that competition requires table space. If you have said that your club wouldn't be entering that competition then you won't get a rally point penalty or a financial fine.

End of general rules.
